OPTIONS

HEADLIGHTS

Pixel LED headlights with signature DRL	Pixel LED headlights build on the Adaptive Driving Beam (ADB) capability to ensure maximum light coverage. By splitting the main beam pattern vertically and horizontally, they enable up to four shadows to avoid dazzling multiple vehicles ahead. This option incorporates Dynamic Bend Lighting, which operates at higher speeds to direct the main beam pattern according to the direction of steering.

ROOF OPTIONS

Sliding panoramic roof	A full-size sliding panoramic tinted glass roof, designed to provide abundant light and space, plus high solar protection. An electric sunblind extends for extra shade or privacy.

DRIVER ASSISTANCE

Driver Attention Monitor	The Driver Attention Monitor helps keep your eyes on the road by alerting you when you appear distracted. A helpful nudge that could prevent an accident.

Important note on imagery & specification. We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **many images cannot be updated to 22/23 model year specifications.** Features, options, trim and colour schemes may differ from many images. Customers are urged to consult their local Retailer for detailed 22/23 model year specifications and to not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local Retailer for local availability and prices.
