LOADSPACE

Versatile loadspace floor	A multipurpose feature consisting of a board that when not in use, lies flush across the load space floor. The board can be deployed to be used as a stowage partition in the load space, providing clever stowage of items such as laptop bags, handbags or shopping bags, preventing items rolling to the back of the loadspace area. Deployed the other way, it can be used as a back rest when sat on the split lower tailgate.

AUDIO

Meridian™ Signature Sound System	The Meridian Signature Sound System delivers the most expressive and immersive Meridian experience available in a Range Rover today. With additional speakers positioned throughout the cabin, the system creates a soundstage that feels expansive, powerful and precisely controlled. Every element is tuned in harmony with the vehicle, allowing subtle details and dynamic moments to be reproduced with confidence and composure. The experience is immersive without being overwhelming, delivering depth, realism and emotional engagement on every journey. Now including Meridian Perfect Balance, which ensures that as the volume of the system varies there is no perceived loss of low and high frequencies, and spectral balance is maintained at all volume levels. Technologies for Meridian Signature Sound: - 34 speakers and subwoofer - Meridian Perfect Balance - Meridian Trifield 3D - Meridian Digital Precision - Meridian RE-Q - Meridian Digital Signal Processing - Active Noise Cancellation Meridian is a registered trademark of Meridian Audio Ltd. Trifield and the “three fields” device is a trademark of Trifield Productions Ltd.

Important note on imagery & specification. We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **many images cannot be updated to 22/23 model year specifications.** Features, options, trim and colour schemes may differ from many images. Customers are urged to consult their local Retailer for detailed 22/23 model year specifications and to not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local Retailer for local availability and prices.
